- 1) Strum each chord 1x =  $\frac{d \ d \ d}{\underline{DG} \ \underline{DG}}$
- 2) Strum each chord 2x =  $\frac{d \ d \ d \ d}{\underline{DG} \ \underline{DG}}$

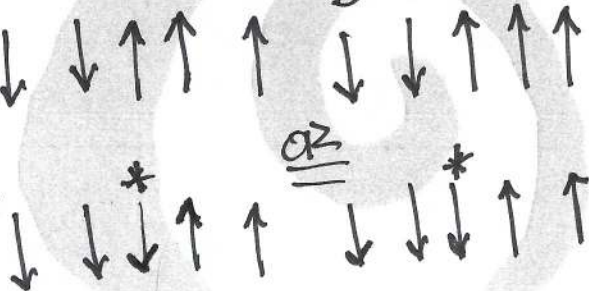

3) strum:  for each chord

tips:

\* practice the strum patterns slowly, with a metronome and gradually increase tempo.

\* notice 3rd finger doesn't move.

try picking: 

\* "the relentless right hand"  
Keep the right hand going - the left hand will figure out what to do.
